I'm dangerous
So dangerous
I'm dangerous
You better stay away
Stay away from me
I'm dangerous

I'm dangerous
So dangerous
Your a lone hitchhiker
And I'm a traveling truck
You better not get on this ride
You might lose your luck
I'm dangerous

You better heed the signs
That's coming across both nights
Starlight in years
I'm slippery and wild
Caution and red flags
I'm gonna cross that line
I'm dangerous

Hook:
So don't you
Don't you say maybe
Baby I'm crazy
Crazy for wanting
Wanting you badly (badly)
Badly I'm serious
And you're so curious
But I'm too dangerous

You better not kiss me once
You better not fall in love
I'm a pterodactyl
And you're a wondering dove
I don't mean to be greedy
But it's never enough
I'm dangerous

I tell you I love you

And I believe it's true
Or that I'll do something
So bad to you
And you'll say I hate you
And you'll be screaming in a dream
Where no one can hear you

(Hook)

You're idealistic
So filled with glee
You see me as your shiny prince
But I'm a treacherous king
You'll accept my olive branch
But I'm poison ivy

I'm dangerous
So dangerous (2x)
You better stay away
Stay away from me
I'm dangerous

So Da Da
Da Da Da Da Da
Da Da Da Da Da
Da Da Da Da Da
Da Da Da Da Da
Da Da Da Da Da
