I saw a light, just up ahead  
But I couldn't seem to rise up from my bed  
I'm not alone, than I am  
People seem to think I'm superman  
But I watch for the love  
I'm living in the day of the eagle, the eagle not the,  
dove

Its like a weight, that brings me down  
If I don't move, I'm on the ground  
Its in my mind, it's in my soul  
Its telling me the things I can't be told  
Its a watch for the love  
Living in the day of the eagle, eagle not the, dove

Another day, another night  
I want to love, they want to fight  
I need the time, I got to be alone  
I got to meet a lover on my own  
I watch for the love  
Living in the day of the eagle, eagle not the, dove
