I inter galactic playing eight balls with a goon(?) in a
pool hall,
and I got a jar in my pocket, baby girl on all my balls
tryna(?) it all,
a lot of girls crazy you know they want a bum of it,
I feel damaged f-ck it, who doesn't,
you show me somebody I show you a liar,
show me his n-ggas and I show you a whiner, no no no,
we don't need no lighters,
get liquor for the balance the balance,
never get trees so I climb to the atmos,
see this is exactly what happens when girls in the room
and asses and asses,

[Robin Thicke]

come take a ride these elevators in my (?)
taking you up to floors you'd never thought you'd find
Im at your front door, I need an Encore,
please let me in, let me in, let me in

[Chorus]

I can't stop it, drop it, leave it alone,
I cant use it, abuse it,
its taking my soul,
I cant stop it,
off the ledge now, (stop it)
Im off the edge now (stop it)
Im in the air now (stop it)

I can't stop falling,
I'm fallin fallin,
and I'm moving so fast I might never go back,
and Im fallin fallin,
don't you give up on me,
I keep calling for you, calling for you,

baby baby I said baby
baby baby I said baby
baby baby I said baby
baby baby baby baby,

Thinking about what am I doing with myself,
my guilty pleasures have been out weighing my good
health,

(stop it) im running back guys
(stop it) I'm all (?)
(stop it) Its after midnight,
(stop it) Its after midnight,

[Chorus]

Feels like I'm all alive, feels like another why,
feels like I'm gonna die, (whoa)
feels like Im going crazy, (whoa)
I just cant let it go,
I just can't get control,
I keep holding onto you,
please baby don't let go now,

[Chorus]
