The Evolution Of Robin Thicke

Oh, I want, I want everything  
Ooh, I want everything  
Everything, everything

I want a fresh girl  
I wanna drink my drink  
I wanna get high  
Can't have everything

Wanna be rich  
Never work at all  
And sleep all day  
And I wanna see it all

Oh, I need, I want everything  
I want everything I can't have

When the brandy hits my throat  
I go da da da  
When I see the girls  
The girls, they make me go da da da

When I get a taste, a taste  
It makes me go da da da  
And when that brandy hits my throat  
I go da da da

I want a fresh girl  
From Dominica  
Maybe Puerto Rico  
From Columbia

Breakfast, lunch and dinner  
Want it all the time  
Yo te quiero mucho  
Yo hablo espanol

Oh, I want, I want everything  
Ooh, I want everything I can't

I can't have

When the brandy hits my throat  
I go da da da  
When I see the girls  
The girls, they make me go da da da

When I get a taste, a taste  
It makes me go da da da  
And when that brandy hits my throat  
I go da da da

I want a house and kids  
A big family  
I want so many women  
Can't have everything

Oh, I want, I want everything  
Everything, everything  
Everything, everything  
I want everything that I can't have

When the brandy hits my throat  
I go da da da  
When I see the girls  
The girls, they make me go da da da

When I get a taste, a taste  
It makes me go da da da  
And when that brandy hits my throat  
I go da da da

When her tongue goes round and round  
I go da da da  
And when her hips go round and round  
I go da da da

When her tongue goes round and round  
I go da da da  
And when her hips go round and round  
I go da da da
