All of the flowers in bloom  
She took away her sweet love when she died  
And all of the flowers have been put into the garage  
So now do I dance with these fools  
All of my life I'm fallen to her heart  
Over and over and over again  
Though I made her seem lucky in my arms  
I promised her love  
She keeps on knocking but she can't get in  
And though I promised her love  
She keeps on knocking but she can't get in  
And though I promised her love  
Over and over and over again  
Over and over  
So what do i do with these tears  
She wonders why I get all agains her heart  
And how can I tell her I love her the way I treat her  
Though I made it seem honest more than once  
I promised her love  
All the flowers in bloom

I've never seen such beauty in my life  
In all of the daydreams  
All of the kids get to play  
Lalalalalalala....
