I don't wanna lie anymore  
San Francisco open up your door  
I don't wanna cry anymore  
San Francisco open up your door

I've been begging  
Begging for so long  
Baltimore open up your door

I've been losing my mind in Chicago  
Ooh, Chicago don't be so blind

I left my heart in Jackson  
Left my soul in Memphis  
Left my smile in Alabama  
My soul all alone  
Coming home  
An empty man  
I need a loving hand  
That all my pieces of my soul  
Back in line  
I'm coming home  
I'm coming home baby

My daddy don't recognize what grew lies  
My mama don't recognize my new state of mind  
My girl don't understand why I cry  
I'm picking up the pieces  
That I left behind

Down here in Jackson  
There's some mystery  
You don't wanna remember

Down here in New Orleans  
When you gotta  
Gotta learn to survive

I left my heart in Jackson  
Left my soul in Memphis  
Left my smile in Alabama

My soul all alone  
Coming home  
An empty man  
I need a loving hand  
That all my pieces of my soul  
Back in line  
I'm coming home  
I'm coming home baby
