Mary J. Blige:

I can the pain dissappear  
And I can erase the past  
I can make the future shine so bright  
And I can make right now alright

Chorus:

I got it, you got it  
We got that magic girl (repeat 4x)

Robin Thicke:

All I got is concrete all around me  
But I can see the country side  
You can be rich when you're poor  
Poor when you're rich  
It can be raining and I can make the sun shine

(Repeat chorus)

Robin Thicke;

I know sometimes sometimes you feel no hope  
But I've been there upon that lonely road  
I took whatever gift he offered me  
Because I knew that he would set me free

(Repeat chorus)

Robin Thicke:

Science they can't prove it  
But I know can do it

Mary J. Blige:

I can fly  
I can bend metal with my mind

Both:

I can wake up in paridise

Robin Thicke:

We got that magic (Repeat 6x)

(Repeat chorus)

(fade)
