Lost your job, lost your mind living on the street for the second time all you do is dream morning, noon, and night I see blue skies in front of me

baby, never give up don't stop now, it's never too much never give up never give up hold on babe never give up oh, oh, oh, oh, I, I, I, I, I, I…. never I, I, I, I, I, never give up

no, no, no, never give up never give up, baby yeah

lost your heart lost your will on your hands and knees just for a dollar bill lost your faith and your confidence nothing seems fair nothing make sense

baby, it ain't over it's not over it's never over i said never give up i said never give up hold on baby it's never too much oh, oh, oh, oh, I, I, I, I, I, I…. never I, I, I, I, I, never give up

never give up never give up never give up never give up uh.. aha

feel like a joke I feel like a fool I should have smarten up I should have stayed in school what I'm gonna do? how I'm gonna get by? I ain't got no answer but I can't stop trying

I said baby, it ain't over it's not over it's never over never give up never give up never give up oh, oh, oh, oh, I, I, I, I, I, I \hat{a} : never I, I, I, I, I, never give up
