It's fashion, it's fashion, it's fashion, it's strobe light  
It's fashion, it's strobe light, it's rollacoasta

Slap me in my face, punch me in the eye  
Do me how you want baby, but just don't say goodbye  
Tell me I'm no good, tell me I'm not right  
Just let me lay beside you when you fall asleep tonight

Rollacoasta, throw your hands up, take me to the top  
Rollacoasta, up side down, I never wanna stop  
Rollacoasta, take me to the limit till I drop  
Rollacoasta make you scream, make you scream  
Make you scream

Take me back, take me back  
One more time around the track  
One more time just on the top  
Let me ride with you tonight

Here we go round and round  
Twist and turn I'm heaven bound  
One more time around the track  
Tell me that you know, tell me that you know

It's fashion, it's strobe lights, it's rollacoasta

Hate me in the morning, sex me up at noon  
Girl have me for dinner, baby, tease me with your food  
Get mad at me for drinkin', shout at me to stop  
But you know I'm the only one that ever hits your spot

Rollacoasta, throw your hands up, take me to the top  
Rollacoasta, up side down I never wanna stop  
Rollacoasta, take me to the limit till I drop  
Rollacoasta make you scream, make you scream  
Make you scream

Take me back, take me back  
One more time around the track  
One more time just on the top  
Let me ride with you tonight

Here we go round and round  
Twist and turn I'm heaven bound  
One more time around the track  
Tell me that you know, tell me that you know

It's fashion, it's strobe lights, it's rollacoasta

It's fashion, take me to the edges one more time  
I'll come right down again  
It's fashion, take me on a ride boy if you dare  
You know I'm going in

Rollacoasta make you scream, make you scream

Rollacoasta, throw your hands up, take me to the top  
Rollacoasta, up side down I never wanna stop  
Rollacoasta, take me to the limit till I drop  
Rollacoasta make you scream, make you scream  
Make you scream

Take me back, take me back  
One more time around the track  
One more time just on the top  
Let me ride with you tonight

Here we go round and round  
Twist and turn I'm heaven bound  
One more time around the track  
Tell me that you know, tell me that you know

It's fashion, it's strobe lights, it's rollacoasta  
It's fashion, it's strobe lights, it's rollacoasta  
It's fashion, it's strobe lights, it's

Rollacoasta make you scream, make you scream  
Rollacoasta make you scream, make you scream  
Rollacoasta make you scream, make you scream

It's fashion, it's fashion, it's fashion, it's strobe light  
It's fashion, it's strobe light, it's rollacoasta
