Whoa (4X)

Stressed out, uptight,  
Over worked, wound up,  
Unleash what you got,  
Let's explore your naughty side,  
Follow me where we go,  
We don't need no bread crumbs,  
Can't you see baby,  
You're the only one,  
You are woman,  
You are woman,  
Let me be your medicine,  
Cuz I got one thing on my mind,  
I'll be your valentine,  
Spread your wings and baby fly away

(Chorus)

It's your body,  
You can yell if you want to,  
Loud if you want to,  
Scream if you want to,  
Just let me love you,  
Lay right here girl,  
Don't be scared of me,  
Give you sex therapy,  
Give you sex therapy,  
It's your body,  
We'll go hard if you want to,  
As hard as you want to,  
Soft as you want to,  
Just let me love you lay right here,  
I'll be your fantasy,  
Give you sex therapy,  
Give you sex therapy,

Whoa (4X)

Whoa (4X)

Baby let's settle for you to,  
Just let your baby,  
I'll lick you down,

Make you feel like you got a body,  
Ha Ha Ha Ha Ha the doctor's here four you,  
Take you like Twilight,  
I'll bite your neck,  
You don't have to stand in the rain  
I'll get you wet, yea  
Push you up against the wall,  
Turn you out and turn you on,  
Yea, yea, whoa

(Chorus)

It's your body,  
We can nut if you want to,  
Loud if you want to,  
Scream if you want to,  
Just let me love you,  
Lay right here girl,  
Don't be scared of me,  
Give you sex therapy,  
Give you sex therapy,  
It's your body,  
We'll go hard if you want to, (Baby it's your body)  
As hard as you want to,  
Soft as you want to,  
Just let me love you lay right here,  
I'll be your fantasy,  
Give you sex therapy,

Girl it's your body,  
We can do whatever you like,  
Girl it's your body,

It's your body we can ride and rock and roll,  
Ride and rock and roll,  
Ride and rock, oh oh oh oh,
