So cold (repeats)

So cold baby
You're so cold baby (repeats)

Shining like the sun â€¦
Messing with my love life
Fire to my â€¦.
I have to make her all mine

She's so fine
All the things about her are trapped â€¦
The only reason I'm so excited
See her undressed she's so exotic

Chorus

She's so cold baby
She's so cold baby
She's got me losing my mind
She's got me losing my mind

She's so cold baby
She's so cold baby
She's got me losing my mind
She's got me losing my mind

All I do is follow her
All I do is â€¦
All I do is call her
All I do is follow her

She is so fine
All of a mother I was findin'
..
If you wanna meet her
She wouldn't mind
