i want something else 2x

i'm a man
i love my drink
i like the girls
i've walked these streets
but i need a break, some new town
cause the way it tastes
it is going down (i say)

(chorus)
i want something else
i love the stuff
it's never enough
i want something else
you know what i need
just give it to me please

losing control, i'm about to explode tonight

i got a girl
she's tired of this city
she wants to go where
she feels pretty (yes)
she wants a new mind
sexy all the time
in the middle of the dinner
she whispers in my ear (says)

(chorus)
i want something else
i love the stuff
it's never enough
i want something else
you know what i need
just give it to me please

i'm losing control, i'm about to explode tonight

i need to know 8x

it's never enough 8x

(chorus 2x)
i want something else
i love the stuff
it's never enough
i want something else
you know what i need
just give it to me please

i'm losing control, i'm about to explode tonight
