Just charge it to my account, I hope I haven't gone over
my limit
With interest rates so swift
No need to scream and shout, no doubt if women are
from Venus now
I'll get to them somehow

All I wanna do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on how I feel about you,
how I feel of
All the stupid things I do
Have absolutely no reflection on, how I feel about you
How I feel about you

Oh yes I recall skipping on breakfast to play basketball
Then feeling two feet small
Sometimes you read like William Shakes
Your scent is sweet like Betty Crocker bakes
I'd love to have your cake and eat it to

All I want to do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on how I feel about you,
how I feel of
All the stupid things I do
Have absolutely no reflection on, how I feel about you
How I feel about you

All I want to do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on how I feel about you,
how I feel about
Oh how I feel about you
