You feel so good, you smell so good  
You feel so warm just like I knew you would  
Can't let you go, can't let you go  
I can't let you go

You were late to school  
I'm gonna have to see you after class  
You've been a bad girl  
Someone's gonna have to teach u a lesson

You've been a bad girl  
Someone's gonna have to straighten you right out  
You've been a bad girl  
Someone's gonna have to teach u, teach u  
Someone's gonna have to teach u

You can call me professor  
But baby, you broke the rules  
You won't get the grade you want  
Unless you stay after school

You can work it off  
Baby, I can give you extra credit

But there's something else  
Girl, can I frisk you?  
Search your body for you, look so guilty to me

If I make you nervous  
It's 'cause you're hiding WMD's  
And I'm gonna sentence you  
Baby, you can do your time on me  
I can't let you go, I can't let you go

You were late to school  
I'm gonna have to see you after class  
You've been a bad girl  
Someone's gonna have to teach u a lesson

You've been a bad girl  
Someone's gonna have to straighten you right out  
You've been a bad girl, bad girl

Someone's gonna have to teach u, teach u

Just for the moment for tonight

Can I make you mine?

Is it me? Is it us?

Can I love you all my life?
