Listen here doll  
Be a good girl  
Imma tell you somethin I know about the world  
It's the same thing I've been tryin to tell you  
Don't make me run and run  
Run from your blues  
Don't make me close my heart on all your bad news  
Use your cryin eyes wisely and don't push me into a  
corner

Crazy in the mornin, afraid of the night  
Stories always changin  
Somethin ain't right  
I can't trust the beat of your tears on my tuxedo  
Tears on my tuxedo  
Tears on my tuxedo  
Either you're truly scared  
Or you've come prepared with your tears on my tuxedo

You got me like I'm Sam Spade try to figure you out  
Are you a jewel across the falcon or a future empty  
house  
I must rely on my instincts cause I can't trust your  
words or your tears  
Anymore  
Cause just when we're about to get down to the truth  
You start cryin bout how life is so cruel to you  
And there's nowhere to go but try and console  
It ain't workin no more  
It ain't workin no more

Crazy in the mornin, afraid of the night  
Stories always changin  
Somethin ain't right  
Don't know if it's real or fake  
I can't take the weight of your tears on my tuxedo  
Tears on my tuxedo  
Tears on my tuxedo  
Either you're truly scared  
Or you've come prepared with your tears on my tuxedo  
Tears on my tuxedo  
Tears on my tuxedo

Either you're truly scared  
Or you've come prepared with your tears on my tuxedo  
Tears on my tuxedo

I don't know when it's real  
I don't know how to feel  
You got me right where you want me  
Breakin all of my own rules  
So listen here doll  
Don't turn us into fools  
I know I'm the one that put most of those tears on to  
you  
And there's no way to change it  
But I'm doin the best that I can do  
I just keep fallin for you

Crazy in the mornin, afraid of the night  
Stories always changin  
Somethin ain't right  
Don't know if it's real or fake  
I can't trust the pain of your tears on my tuxedo  
Tears on my tuxedo  
Tears on my tuxedo  
Either you're truly scared  
Or you've come prepared with your tears  
Oh your tears  
Oh your tears  
Oh your tears on my tuxedo  
Tears on my tuxedo  
Tears on my tuxedo

Cry all you want to babe  
You can cry all you want to babe
