(feat. Pharrell)

Shes the kind of girl u wanna marry
The kind of girl u walk the whole earth 4
Put her on your back and just carry
Her attitude is hotter than the earths core
When shes around nothing else matters
Untouchable shes got her own force field
Sooner or later someone will get at her
If I dont someone else will

Wanna love u girl wanna love u girl
Wanna love u girl wanna love u girl
Oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh uh

Shes the kind of girl u wanna marry
Scientists say that shes the second sunshine
And now my life is sweeter than berries
I guess if we have sex our love will turn 2 wine
When shes around nothin else matters
Even if the sky was at a stand still
If I turn my back then someone will get at her
If I dont someone else will

Wanna love u girl wanna love u girl
Wanna love u girl wanna love u girl

Im so glad I found u oh girl
Im so glad I found u oh girl
