Verse One: Al Skratch

Yeah, it's Al Skratch, that real smooth brother  
The undercover lover makin moves on your mother  
If I have to, it's only natural, that I rap to  
any girl walkin through my hood if she's lookin good  
And if she's somethin fine, I'll be humpin hind  
Let's get it on, ain't nuthin wrong, with a little Bump N  
Grind  
(Bump N Grind) Now that's what my man say  
Sometimes I lay in my bed, and I dream of bein hand-  
fed  
I made the jam, with my man, about the \_Homiez\_  
But now I must remember all about my tenderonis  
You're lonely by your homey baby I know how you're  
feelin  
You in the mood for some Sexual Healing (sexual  
healing!)  
Walk in to the jump I spot you as the music's blarin  
Starin, but not - carin, about, what you - wearin  
You're full grown with a mind of your own  
I make you moan as my bone turn brick like stone  
Whether you're single we can mingle as you jingle  
Swing low, with the black Mandingo  
I be the dough money-maker rump-shaker  
To the bedroom I said "hmm I'll take her"

[BM] If you don't want her don't waste her time {\*1}  
[BM] Said if you don't want her don't waste her time  
{\*1}  
Don't waste her time, don't waste no time  
[BM] Said if you don't want her don't waste her time

{\*1}

[BM] Said if you don't want her don't waste her time  
I'll take her, I'll take her

### Verse Two: Big Ill

Yeah, well it's Big Ill, silly me, I puff the Phillie G  
I make your body move, get smooth like Billy Dee  
Get you hopin, make you beg for the third leg twice  
Cause I \_Make it Funky\_ like my name was Greg Nice  
Hit you off, then I'm ghost somethin proper-like  
Two things I never do: fall in love or drop a mic  
I'm Big Ill, now you know my style I'm glad you came  
I give your man a pound, then I ask you what's your  
name  
(What's your name baby?) Sign a autograph, then I step  
w/ my staff  
to the hotel, hope everything goes swell  
That's what you say as I sway on my way to my room  
Crazy deep, don't sleep I keep the poom poom.. jockin  
clockin, knockin out the box when, I perform  
that's why the girlies they swarm to see Big Ill  
Later on that night at the arena  
I seen her, tryin to get backstage between the  
niggaz I was wit and the security, she didn't  
Lookin from a distance I see her booty's hittin (oh yes  
babe)  
Stagger to the barricade and bag her as I grab her  
Thinkin to myself, "Aiyyo, I got to have her"

[BM] If you don't want her don't waste her time {\*1}  
[BM] If you don't want her don't waste her time {\*1}  
I'll take her, I'll take her, I'll take her  
[BM] Said if you don't want her don't waste her time  
{\*1}  
On my knees, ohh yeah  
[BM] Said if you don't want her don't waste her time  
Hahhh-ohhhh-ohhh-ohh-oh-hohh-yeah, I'll take her (I'll  
take her)  
[BM] If you don't want her don't waste her time  
Bring it here to me, yeahhh!  
[BM] Said if you don't want her don't waste her time  
Ooohhhhhh, I'll take her

### Verse Three: Big Ill, Al Skratch

Yeah.. yeah.. I like your flow yo, do I say oh no?  
And get it hittin one on one like a solo  
I think not, cause it ain't no fun  
If my homey Mr. Raspy Skratch can't get none

Hey! I be the one with the voice that's raspy  
Al Skratch see, gettin downright nasty  
I pass the, girls in my vicinity  
back to my man Big Ill, he got the remedy

For the..

[BM] If you don't want her don't waste her time {\*1}  
Oooh baby oh baby  
[BM] If you don't want her don't waste her time {\*1}  
I'll take her, I'll take her, I'll take her

[BM] If you don't want her don't waste her time..  
I'll take her  
[BM] If you don't want her don't waste her time..
