Take off your topcoat  
Put on your raincoat  
Give up your birthright  
And don't you cry  
'Cause in 23 verses now  
A storm is a-comin'  
And you'll be too surprised  
To wonder why.  
And it will  
Rain rain  
Go away, go away  
Rain rain  
Come back again another day.  
Step out your cool suit  
Snap on your wet boots  
And now eat all your mushrooms  
Until you see  
That in 22 verses now  
A storm in a-brewin'  
And you'll be too annoyed  
For victory.  
'Cause it will  
Rain rain  
Go away go away  
Rain rain  
Come back again another day.

China glass &  
A chocolate bar  
I'm leaving behind  
So my children's children  
Children's children  
Will see what's left of me.  
Cue up the James Brown  
And jack up the funky sound now  
Say it won't be the last time  
You hear a scream  
'Cause in 21 verses now  
A storm is a-ragin'  
And you will satisfy your destiny.  
'Cause it will  
Rain rain

Go away, go away  
Rain rain  
Come back again another day.
