Fortunately you  
Have someone who relies on you  
We started out as friends  
But the thought of you just caves me in

The symptoms are so deep  
It's much too late to turn away  
We started out as friends

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my baby

Time, I'm sure, will bring  
Disappointments in so many things  
It seems to be the way  
When your gambling cards on love you play

I'd rather be in Hell  
With you, baby, than in cool Heaven  
It seems to be the way

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my baby

Birds never looked into the sun  
Before the day is gone  
Oh, the light shines bright  
On a peaceful day

A stranger blue leaves us alone  
We don't want to deal with you  
We'll shed our stains showering  
In the room that makes the rain

All alone with you  
Makes the butterflies in me arise  
Slowly we make love  
And the Earth rotates in our dictates

Slowly we make love

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my baby

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my baby

Sign your name  
(Sign your name across my heart, baby)  
(Sign your name across my heart, baby)
