when you walk through a storm
hold your head up high
and dont be a afraid of the dark

at the end of a storm
is a golden sky
and the sweet silver song of the night

walk on
through the wind
walk on
through the rain
for your dreams be tossed and blown
walk on
walk on with hope in your heart
for youll never walk alone
youll never walk alone
walk on
walk on
with hope in your heart
and youll never walk alone
youll never walk alone

youll never walk alone
