Call your girlfriend
It's time you had the talk
Give your reasons
Say it's not her fault
But you just met somebody new

Tell her not to get upset, second-guessing everything
you said and done
And then when she gets upset tell her how you never
mean to hurt no one
Then you tell her that the only way her heart will mend
is when she learns to love again
And it won't make sense right now but you're still her
friend
And then you let her down easy

Call your girlfriend
It's time you had the talk
Give your reasons
Say it's not her fault
But you just met somebody new

Don't you tell her how I give you something that you
never even knew you missed
Don't you even try and explain how it's so different
when we kiss
You tell her that the only way her heart will mend is
when she learns to love again
And it won't make sense right now but you're still her
friend
And then you let her down easy

Call your girlfriend
It's time you had the talk
Give your reasons
Say it's not her fault
But you just met somebody new
And now it's gonna be me and you

And you tell her that the only way her heart will mend is
when she learns to love again

And it won't make sense right now but you're still her
friend
And then you let her down easy

Call
Call your girlfriend
It's time you had the talk
Give your reasons
Say it's not her fault

Call your girlfriend
It's time you had the talk
Give your reasons
Say it's not her fault
But you just met somebody new
