Do you really want me?  
Am i really special?  
Taking is so easy  
But Giving is unusual  
If you really want me  
Dont make me wait too long  
Respect and Love is the key  
Just listen to my song..

Boy, listen to me carefully now  
cus this is sumthing every man should know  
oh this is a lesson about how  
you treat a girl right just let it show  
Oh that you love her, that you need her say  
That you want her, in every way  
You got to show your girl, a little respect  
Or you wont get nothing back but hey  
it's those little things that mean so much  
You've got to treat her right, or get out of her sight

Do you really want me?  
Am i really special?  
Taking is so easy  
But Giving is unusual  
If you really want me  
Dont make me wait too long  
Respect and Love is the key  
Just listen to my song..

Save, it all has too much to feel  
Protecting me in all you've got  
Oh she wants to know your loves for real  
And be a good lover make her hott  
And she'll do everything, love you day and night  
She'll do anything, just do her right  
It's those little thigs that mean so much  
You've got to treat her right, or get out of her sight

Do you really want me  
Am i really special?  
Taking is so easy

But Giving is unusual  
If you really want me  
Dont make me wait too long  
Respect and Love is the key  
Just listen to my song..

Girl give him or best  
No part time job no time to rest  
let him no what's up before  
so he can give you more, and more

You've got to show your girl a little respect  
Or you wont get nothing back but hey  
It's those little things that mean so much  
You've got to treat her right  
Or get outtah her sight

Do you really want me  
Am i really special?  
Taking is so easy  
But Giving is unusual  
If you really want me  
Dont make me wait too long  
Respect and Love is the key  
Just listen to my song..
