(brigde)

ooh baby no, dont you go, let them wait
ooh baby no, dont you go, baby stay

(twice)

dont know the time, but i feel your getting out of bed
the way you felt last night, i wanna feel it again

baby dont think about it, dont you go, let them wait,
dont you think about it, baby dont leave alone
please stay

(chorus)

through the moonlight, sun shine, we can go on and on
ill be holding you close
through the moonlight, the sun shine, here in a world
of our own
baby dont go

(bridge)

ooh baby no, dont you go, let them wait
ooh baby no, dont you go, baby stay

you say you ve got things to do, got to get on with your
day

i say, but think of the things, we can do if you stay
no i dont wanna be on my own
baby dont leave your baby alone

(chorus)

(bridge)

moonlight, sunshine, baby please stay through the
