GIVING YOU BACK

Robyn/K. Fambro/D. Boynton

Produced by K-Fam

VERSE 1

In another time, another life
Would have taken time out
In another situation I would have made you mine,
To make sure you'd be fine
I could feel you coming, I knew you would
And it hurts me so to let you go
I want you to live but I'm not all I wanna' give
But I never imagined you'd be so good
Right now nothing can be right,
All I can do is keep believing
Right now nothing can be wrong
That life goes on and on

CHORUS

I'm giving you back, to the stars

I'm giving you back, to where you came from
I'm giving you back, to the ocean
But I'm not forgetting who you are

VERSE 2

With you in me I was beautiful
Two months of joy, before the impossible
Every second I long for the day
When the time is right, when there's no wrong
When you come back, come back to stay
I'll be there for you and I'll be strong
I'm still open if you still want me
And I promise I'll be all I can be
Right now nothing can be right
All I can do is keep believing
That life goes on and on
Right now nothing can be wrong,

CHORUS

BRIDGE

You made me see a lot clearer
Heaven is not that far

One day i hope to be closer
To be as pure as I know that,
I know that you are
