Yeah, I heard about some guy that you beat pretty bad  
and got in the papers  
Sure, you own a cool bar and I hear you get far with  
every waitress  
Yeah, I saw you on the poster your song is the bomb  
and you're outrageous  
Sure, I see you're livin' large with your crib and your  
cars  
And that's just great but..

Let me tell you how it be  
You won't get with this you see  
Cause you can't handle me

Yeah, you make your big move and I see you're not  
used to being rejected  
Sure, you makin' that call to your guy and I'm sure  
you're well connected  
Yeah, judging from that line you just passed you are  
well known and respected  
Sure, would me and my girls come participate in  
something you directed

Let me tell you how it be  
You won't get with this you see  
Cause you can't handle me  
It's a simple fact  
That you can't seem to handle me  
No matter how you act with them  
You can't handle me  
You gotta make me feel you got my back  
But you're a selfish narcissistic psycho freaking  
bootlicking nazi creep  
And you can't handle me

Yeah, I think you're kinda cute when you try and act like  
you ain't lookin'  
Sure, I think you're kinda fly and your ride sure is off  
the hook  
Yeah, bet you could take my mind off things for some  
time and take me shoppin'

Sure, you writin' those rhymes and the acts you  
produce are really kickin'  
But

Let me tell you how it be  
You won't get with this you see  
Cause you can't handle me  
It's a simple fact  
That you can't seem to handle me  
No matter how you act with them  
You can't handle me  
You gotta make me feel you got my back  
But you're a selfish narcissistic psycho freaking  
bootlicking nazi creep  
And you can't handle me
