Isn't funny how some people  
Never practice what the preach  
Isn't it sad that the strongest arms  
Still to short to reach  
I watch him struggle with the fact that  
His become what he said he'll never be  
Hip parties and sunglasses at night  
Thay help him not to see  
Can he see

That he's been high on a young girls ride  
Never lone on a saturday night  
He's been a around the world about a million times  
But he's never been love  
Not on the inside

Isn't so messed up to be witness for a man who won't  
confess  
He won't confess, no  
That he lost his truth  
So god help him believe in his own prayers  
I watch him struggle with the fact that  
He relies on people that don't really care, the don't  
care, no no no  
You say that the buisness is a whack  
So baby why are you so deep in there

He's been high on a young girls ride  
Never alone on a saturday night  
He's been a around the world about a million times  
But he's never been love  
Not on the inside

One day it's gonna be to late  
Or maybe it's to late anyway  
Famous has made you shameless  
But not blameless  
Just loveless, loveless, loveless

He's been high on a young girls ride  
Never alone on a saturday night

He's been a around the world about a million times  
But he's never been love  
Not on the inside

He's been high on a young girls ride  
Never alone on a saturday night  
He's been a around the world about a million times  
But he's never been love  
Not on the inside
