"Where Did Our Love Go"

Thoughts about you and me Thinkin' about what we
used to be
Love was strong so were we Until one day it all went
wrong
A new body a new face
But no one good enough to fill your empty space
Baby where did our love go
I'm thinkin' about you and me now
Baby both you and I should know
We should know by now
Warming heat coolin' shade Whatever I needed I found
in the love we made
Maybe this was meant to be Miss and reminisce of
something close to
Exctasy
But I still hope that you feel our love inside the way I do
Chorus
Thoughts about you and me Thinkin' about what used
to be
