Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just met somebody new

Tell her not to get upset, second-guessing everything  
you said and done  
And then when she gets upset tell her how you never  
mean to hurt no one  
Then you tell her that the only way her heart will mend  
is when she learns to love again  
And it won't make sense right now but you're still her  
friend  
And then you let her down easy

Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just met somebody new

Don't you tell her how I give you something that you  
never even knew you missed  
Don't you even try and explain how it's so different  
when we kiss  
You tell her that the only way her heart will mend is  
when she learns to love again  
And it won't make sense right now but you're still her  
friend  
And then you let her down easy

Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just met somebody new  
And now it's gonna be me and you

And you tell her that the only way her heart will mend is  
when she learns to love again  
And it won't make sense right now but you're still her

friend  
And then you let her down easy

Call  
Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault

Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just met somebody new
