(Always be around)
(Do ya, do ya, do ya)

Don't you know I can see what you're doing?
Runnin' around with your cheap talk (cheap talk, yeah)
What I need is a man who can do me right (do me right)
If you've got what I need I can guarantee
To return all the love that you've given to me
But I've got to be sure
That you'll always will be around (always be around)
Ah, yeah

CHORUS:

Do you know what it takes to love me?
Do you know what it takes to do me right?
Do you know what it takes to love me, baby? (baby)

(Ooh ooh, hey yeah)
Heaven knows in my time I've been lonely
Feeling my love echo in my mind, (in my mind, yeah)
Never Satisfied Girl's what they call me
But I just can't keep goin' on livin' lies, now
Guarantee unto me you won't let me down
There's so much I can give but it's buried so deep
I've just got to be sure that you'll always will be around,
yeah
(always be around)
Ah, yeah

Do you know what it takes to love me? (do you know)
Do you know what it takes to do me right?
Do you know what it takes to love me, baby? (baby,
baby)

Do you know what it takes? (do you know)
Do you know what it takes?

(Don't waste my time with your lies)
Hear me babe, I gotta know
(You've got to prove, that you will)

Always be around
Ah, yeah, yeah

I'll give you everything
Boy, will you do the same for me?
Will you do anything?
I gotta know - What will it be?

Do you know what it takes to love me? (do you know)
Do you know what it takes to do me right?
Do you know, do you know, do you know what it takes?
(Do you know what it takes)
To love me baby, yeah
(Do you know what it takes to do me right?)
Oh
Don't waste my time baby
