Do you really want me?
Am i really special?
Taking is so easy
But Giving is unusual
If you really want me
Dont make me wait too long
Respect and Love is the key
Just listen to my song..

Boy, listen to me carefully now
cus this is sumthing every man should know
oh this is a lesson about how
you treat a girl right just let it show
Oh that you love her, that you need her say
That you want her, in every way
You got to show your girl, a little respect
Or you wont get nothing back but hey
it's those little things that mean so much
You've got to treat her right, or get out of her sight

Do you really want me?
Am i really special?
Taking is so easy
But Giving is unusual
If you really want me
Dont make me wait too long
Respect and Love is the key
Just listen to my song..

Save, it all has too much to feel
Protecting me in all you've got
Oh she wants to know your loves for real
And be a good lover make her hott
And she'll do everything, love you day and night
She'll do anything, just do her right
It's those little thigs that mean so much
You've got to treat her right, or get out of her sight

Do you really want me
Am i really special?
Taking is so easy
But Giving is unusual

If you really want me
Dont make me wait too long
Respect and Love is the key
Just listen to my song..

Girl give him or best
No part time job no time to rest
let him no what's up before
so he can give you more, and more

You've got to show your girl a little respect
Or you wont get nothing back but hey
It's those little things that mean so much
You've got to treat her right
Or get outtah her sight

Do you really want me
Am i really special?
Taking is so easy
But Giving is unusual
If you really want me
Dont make me wait too long
Respect and Love is the key
Just listen to my song..
