I'm going backwards through time at the speed of light  
I'm yours, you're mine  
Two satellites  
Not alone  
No, we're not alone

A freeze-frame of your eye in the strobelight  
Sweat dripping down from your brow  
Hold tight  
Don't let go  
Don't you let me go

And I never was smart with love  
I let the bad ones in and the good ones go  
But I'm gonna love you like I've never been hurt before  
I'm gonna love you like I'm indestructible  
Your love is ultimate  
Not again it's taking over  
This is hardcore  
And I'm indestructible

Hands up in the air like we don't care  
We're shooting deep into space  
And the lasers split the dark  
Cut right through the dark

It's just us we ignore the crowd dancing  
Fall to the floor  
Beats in my heart  
Put your hands on my heart

And I never was smart with love  
I let the bad ones in and the good ones go  
But I'm gonna love you like I've never been hurt before  
I'm gonna love you like I'm indestructible  
Your love is ultimate  
Not again it's taking over  
This is hardcore  
Ooh and I'm gonna love you like  
Like I've never been hurt before  
I'm gonna love you like I'm indestructible  
Your love is ultimate

Not again it's taking over  
This is hardcore  
And I'm indestructible

And I never was smart with love  
I let the bad ones in and the good ones go  
But I'm gonna love you like I've never been hurt before  
I'm gonna love you like I'm indestructible  
Your love is ultimate  
Not again it's taking over  
This is hardcore  
Ooh and I'm gonna love you like  
Like I've never been hurt before  
I'm gonna love you like I'm indestructible  
Your love is ultimate  
Not again it's taking over  
This is hardcore  
And I'm indestructible
