Oh baby no  
Don't you go  
Let them wait  
Oh baby no  
Don't you go  
Baby stay  
Oh baby no  
Don't you go  
Let them wait  
Oh baby no  
Don't you go  
Baby stay

Don't know the time but I feel you getting out of bed  
The way you felt last night I Boy you gotta want me  
Really really want me  
Boy gotta need me  
Coz baby I can't get enough and I'm  
Trying to catch the way  
Of how it used to be  
How it used to feel back then

I'm saying that it ain't no thing for me  
Baby if it ain't no thing for you  
But baby if it is a thing for you  
There'll be nothing for me  
And nothing for you

Said you might wanna write this down  
Boy you know I want you,  
Really really want you  
Oh I really need you  
But i don't wanna pick up your socks  
Maybe it's a silly thing but  
It would just be nice to compromise

I'm saying that it ain't no thing for me  
Baby if it ain't no thing for you  
But baby if it is a thing for you  
There'll be nothing for me  
And nothing for you  
I'm saying that it ain't no thing for me

Baby if it ain't no thing for you  
But baby if it is a thing for you  
There'll be nothing for me  
And nothing for you

Maybe it's a silly thing but  
It would just be nice to compromise

Ain't no thing  
Ain't no thing

I'm saying that it ain't no thing for me  
Baby if it ain't no thing for you  
But baby if it is a thing for you  
There'll be nothing for me  
And nothing for you  
I'm saying that it ain't no thing for me  
Baby if it ain't no thing for you  
But baby if it is a thing for you  
There'll be nothing for me  
And nothing for you

Please stay

Through The moonlight  
Sunshine  
We can go on and on  
I'll be holding you close  
Through the moonlight  
Sunshine  
Here in a world of our own  
Baby don't go

Oh baby no  
Don't you go  
Let them wait  
Oh baby no  
Don't you go  
Baby stay

You say you got things to do  
Gotta get on with your day  
I say but think of the things  
We could do if you stayed  
No I don't wanna be on my own  
Baby don't leave baby all alone

Through The moonlight  
Sunshine  
We can go on and on  
I'll be holding you close

Through the moonlight  
Sunshine  
Here in a world of our own  
Baby don't go  
Oh baby no  
Don't you go  
Let them wait  
Oh baby no  
Don't you go  
Baby stay

Moonlight sunshine

Baby please stay  
Through The moonlight  
Sunshine  
We can go on and on  
I'll be holding you close  
Through the moonlight  
Sunshine  
Here in a world of our own  
Baby don't go  
Baby please stay  
Through The moonlight  
Sunshine  
We can go on and on  
I'll be holding you close  
Through the moonlight  
Sunshine  
Here in a world of our own  
Baby don't go
