Sexual eruption (x2)

I'm gonna take my time, she gon get hers before I

I'm gonna take it slow

I'm not gonna rush the stroke

So she can get a

Sexual eruption, cut it up middle pop

Sexual eruption mama gonna sex you up

Sexual eruption keep it up don't interrupt

Sexual eruption baby

I was all in the club sippin some Hen

Smokin on a blunt of dro

When I peep this lil hoe out

I was all in the bar when driftaa

Shorty red came on then she hit the floor now

With a see through dress long hair light brown eyes

Lookin like Ms. Bo Peep

And a nigga know if I take her home with them wide ass  
hips

Your damn right I'm gon beat

So I approached the chick with the real pretty face

Big ass booty with a little bitty waist

I whispered in her ear lil mama what you drink

I know dat you a freak but you know I aint gon say shit

See my game is outrageous I got her to the crib

And exchanged some f\*\*k faces

But it wasn't no use for me to rush to bust one cuz I  
wanted her to have an eruption

Sexual eruption, cut it up mental pop (?)

Sexual eruption mama gonna sex you up

Sexual eruption keep it up don't interrupt

Sexual eruption yeah yeah

I'm gonna take my time, (wanna love you wanna hug  
you wanna stroke my pup)

she gon get hers before I (wanna cuddle wanna  
snuggle wanna sex you up)

I'm gonna take it slow (such a gentleman you never  
rush to bust)

I'm not gonna rush the stroke (snoop dogg I'm gonna

sex you up)
