[Too \$hort]

Put a hump in your back and shake your rump [4x]

Lets Go

[Chorus- Lil Jon]- 2X

Bounce that ass up and down to the floor

Shake that shit till you can't no more

Twerk that monkey lemme see you get low

Freak that nigga till your shit get sore

[Verse 1- Too \$hort]

Bounce that ass till you can't no more

Make your ass touch the floor till your legs is broke

Take that big ol' booty girl and scrub the ground

You can do it up and down and round and round

As long as that pussy ain't stiff

Dance and make all the niggaz look at that shit

Like a stripper at a club in the ATL

Lil bitch tore it up and started raisin hell

I remember Magic City before the freakness

Before the police went on all them weak shit

All them big hoes, get loose w/ it

All them skinny hoes, let Bruce Bruce hit it

Let a nigga fuck tonight

Damn right bitch, fuck my wife

You my slut for life

You know all I do, is count that cash

I won't charge you as long as you bounce that ass

[Chorus]-2X

Biaatch....Biaatch....Shake that Monkey

[Verse 2]

I bet she can't wiggle like with a dick in her

Have a motor booty contest and pick a winner

When she runnin', you never see a hoe come in last

She's so fast she's got a 454 in her ass

You never gonna win that race

Put on a seatbelt and don't let her sit on your face

She might kill you in the morning at 2:14

Doin' the pussy pop like she from New Orleans  
Its been a while more than 10 years past  
When you close your eyes you can still see her ass  
Her momma used to dance like that  
Bouncin' that ass with her hands on her back  
I saw her grandmomma do it with a baby in her arms  
Put her hand on a car and started swingin' it hard  
Every nigga at the party wanna get with the bitch  
Look like she was fucking an invisible dick

[Chorus]-2X

[Verse 3]

You don't have to be naked to dance like a stripper  
Just wiggle that tail like your name is flipper  
Do it like a dolphin on top of the water  
Take it down to the ground and pop it harder  
You been hangin' around them pimps again  
Got ya gangsta walkin' like in Memphis, Tenn  
Get it girl, I like the way you bounce  
She must have learned that deep down way in the  
south  
You from the west coast where you learned to do that  
dance  
I'm about to stick my dick through the back of your  
pants  
I wouldn't pass up a chance to grip your cheeks  
Fall in that ass and keep me for a week  
Now all that booty, is that for me  
Its lookin' so fat, we at the party  
Lets hit the bar and drink, Tequilla shots  
Find a spot on the floor, lemme see it drop

[Chorus]-2X

[Too \$hort]

Now put your ass on his dick  
Let him know you the baddest lil'bitch  
Put your hand on your clit, ask him do he like that shit  
The way you move your butt  
All he wanna do is fuck  
Outside him and you in the truck  
Sex so good you can't do it enough [2x]

Bounce that ass bitch  
Bounce that ass bitch  
Bounce that ass bitch  
Short dog in the house  
Just bounce that ass  
Shake that monkey hoe  
Shake that monkey hoe

Shake that monkey hoe  
Lemme see you shake that monkey  
Biaatch
