

## **Rocco Deluca & The Burden** **"Swing Low"**

Visit "[Swing Low](#)" on MotoLyrics.com

Feels like the pavement  
Proud and cold  
Walking feet  
Walking soul

I'm rolling out my bones  
Lay me down  
Let me go  
Feeling heavy  
The ground is cold  
Lay me down  
Take it slow  
I'm ready to stumble, sing & then swing low

Feels like my hands  
Reach to touch  
Strike and tremble  
When they hold too much

I'm rolling out my bones

Lay me down  
Let me go  
Feeling heavy  
The ground is cold  
Lay me down  
Take it slow  
I'm ready to stumble, sing & then swing low

I'm rolling out my bones  
Lay me down  
Let me go  
Feeling heavy  
The ground is cold  
Lay me down  
Take it slow  
I'm ready to stumble, sing & then swing low
