How long has this been coming on I really cannot say
The ground that Iâ€™ve been standing on is all washed
away
Iâ€™m stumbling, really falling, Iâ€™m calling out to you
I need to know youâ€™re with me, I need to know whatâ€™s
true
Lost at sea, I want to believe
Thereâ€™s a place for me in eternity
As long as thereâ€™s hope, Itâ€™s like a rope
Thrown into the hand of a drowning man
So who am I to come to you in this hour of pain
I never did much work for you, Do you love me just the
same? oooh
Lost at sea, I want to believe
Thereâ€™s a place for me in eternity
As long as thereâ€™s hope, Itâ€™s like a rope
Thrown into the hand of a drowning man
And when Gravity lets go of me, and I fly away
Will I find the peace of mind Iâ€™m longing for today
Lost at sea, I want to believe
Thereâ€™s a place for me in eternity
As long as thereâ€™s hope, Itâ€™s like a rope
Thrown into the hand of a drowning man
As long as thereâ€™s hope, Itâ€™s like a rope
Thrown into the hand of this drowning man mmmm
