"Lovey"

I love somebody named lovey
Please don't tell anybody
Lovey has no money
Or hope of a job
Yeah, take a look at the room
That pearl is a slob
Why o why do I love lovey?

I hung a picture on the wall
If you see what i saw then you'd know it all
Smiling like an angel
Eyes honest and true
If you got introduced
Well, you'd love lovey too
My o my that lovey

Someday
You might have to wander
Away from me
If you go far
Hop into a car
And come to visit
Come to visit me

I love somebody named lovey
Yes i do
And you don't have to tell me
I'm lucky
Some people are lonely
Cryin' in the beer
But i got so much love
The aches and the pains
And the moaning and the groaning disappear
(for a while)
Time after time with lovey

Someday
You might have to wander
Away from me
If you go far
I wish upon a star
You come to visit

Come to visit me
