Listen to a story  
Of somebody so bad  
Living invisible  
Trying not to make anybody mad

Had to get going  
Float your boat away from here  
Dark is the ocean  
With only one star

Being all alone in the middle of nowhere  
Right out of the blue did you appear  
Saying stay  
Stay with me  
Stay a little longer

Out there in the moonlight  
The two took a look at the scars  
It was different that the daylight  
Where there's a bandaid on who you are  
Sorrow exploded like a rainbow up in the sky  
One of them cried i'm lonesome  
I know you are was the reply

Being all alone in the middle of nowhere  
I don't think i'm prepared i guess i'm really scared  
You can stay  
Stay with me  
Stay a little longer

This kind of a story  
Has no snazzy end  
It's in the telling  
You really need an ear to bend  
So much for the story of somebody so bad  
Living invisible  
Trying not to make anybody mad

Trying not to make anybody mad  
Trying not to make anybody mad

Scared of the dark

In the middle of nowhere  
I am not alone you know  
If you are there  
Stay  
Stay with me  
Stay a little longer
