Uncle dave he misbehaved  
He painted the firetruck green  
Even though he painted the firetruck green  
That don't mean that he is mean

Uncle dave he misbehaved  
He ate all the food on the plane  
Even though he ate all the food on the plane  
That don't mean he won't eat again

Uncle dave he misbehaved  
He took the train to brooklyn  
Even though he took the train to brooklyn  
That don't mean he ain't good lookin'

Uncle dave he misbehaved  
He changed his name to tony  
Even though he changed his name to tony  
That don't mean that he's a phony

Uncle dave he misbehaved  
He said he didn't like this song  
Even though he said he didn't like this song  
That don't mean he won't sing along

Uncle dave he misbehaved  
He forgot to fold up his pants  
Even though he forgot to fold up his pants  
That don't mean they're full of ants
