Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh

I swear I've seen your face before  
It's been inside my open door  
I'm sure I played this game before  
Pay a little bit now then later more

Angel, angel, ring them bells  
Ring them bells  
Something is wrong it doesn't belong  
And it's not natural to sing that song

And if I wash my hands in your dirty water  
Will your religion make me clean  
Oh oh oh oh  
And if I wet my feet in your dirty water  
Will I be blind for all I see

A lover would be more concerned  
When I needed you, your head was turned  
Seems like you do what you can  
To make me feel a guilty man

Angel, angel, ring them bells  
Ring them bells  
Something is wrong it doesn't belong  
And it's not natural to sing that song

And if I wash my hands in your dirty water  
Will your religion make me clean  
Oh oh oh oh  
And if I wet my feet in your dirty water  
Will I be blind for all I see

Oh oh oh oh  
Oh oh oh oh

And if I wash my hands in your dirty water  
(Repeat to fade)
