Verse

I'm lost in the streets in the city of pain
I learned how to cry, how to go insane
Your love, because of your love

The gypsy woman in the corner knows my name
But still she couldn't say when you're back again
Your love, because of your love

Pre-chorus

Nobody knows
Nobody knows
Nobody knows
Nobody knows

Chorus

Can you feel my heart
I can feel your speed
Faster every second
Dancing to the beat
What's love, nobody knows

Verse

Trapped in the fire just to see in your eyes
Swallowing my pride struggling to stay alive
Your love, because of your love

Pre-chorus

Nobody knows
Nobody knows
Nobody knows
Nobody knows

Chorus

Can you feel my heart
I can feel your speed
Faster every second
Dancing to the beat
What's love, tell me what's love

(Nobody knows)

Can you feel my heart
I can feel your speed (nobody knows)
Faster every second
Dancing to the beat (nobody knows)
What's love, nobody knows

Break
What is love
Do we know, do we know
What is love
Do we know, do we know

Chorus
Can you feel my heart
I can feel your speed
Faster every second
Dancing to the beat
What's love, tell me what's love

(Nobody knows)

Can you feel my heart
I can feel your speed (nobody knows)
Faster every second
Dancing to the beat (nobody knows)
What's love, nobody knows
