Your eyes are so deceiving
(Don't want to see them anymore, whoa)
The harder I try, and I know I can't stop
(Why can't I stop, is this addiction? whoa)

And the time has flown away
Forget about what they say
Just hold on tight
We can make it right

Your words were so deceiving

(Didn't want to hear them anymore, whoa)
The harder I try, and I know I can't stop
(Why can't I stop, is this addiction? whoa)

Your sad face makes me frown
(Don't want to see them anymore, whoa)
The harder I try not to see them, but I can't
(Help me, help me I don't want to see them)

But the time has flown away
Forget about what they said
Just hold on tight (Hold on tight)
We can make it right (Make it right)
Just hold on tight (Hold on tight)
We can make it right (Make it right)

Our time was so deceiving
(Don't want to know it anymore, whoa)
But the harder I try, and I know can't throw it away
(I can't stop, is this addiction?, whoa)

Your eyes are so deceiving
(Don't want to see them anymore, whoa)
The harder I try, and I know I can't stop
(Why can't I stop, is this addiction? whoa)

Your eyes are so deceiving
(They trick me, trick me)
And I don't want to see them anymore
The harder I try to stop, but you're so addictive

(I know I can't stop, this is addiction)
