I don't want to wake up  
I can't take Monday Mornings  
I won't ever get out of bed  
I don't want to go to school today

Yes I'm sure I'm growing up everyday  
Yes I know it's something I can't push away  
But I always want to stay the same  
I don't want to be called by my name  
I'm better off staying alone in bed  
I'm really confused inside my head

I'm so tired and bored  
And I don't want to wake up  
I can't take Monday Mornings  
I won't ever get out of bed  
I don't want to go to school today

I don't ever wanna go to school  
I don't care if I stay a fool  
I don't ever wanna go to school

I don't care, I just want some sleep  
I couldn't sleep last night, I was counting sheep  
It never works, and neither does life  
I can't live seriously even if you stick me a knife  
I'm always gonna stay the same  
I'm wearing this on my sleeve  
I'm always gonna be called by my name  
I'm always gonna have to believe  
That someday I will change, I won't!!!

I'm so uninterested, uninspired  
Unhappy, so tired and bored  
And I don't want to wake up  
I don't have the power to stand up  
I can't take Monday Mornings  
And I won't ever go to school  
I won't listen to your warnings  
I'm just gonna' be called a fool  
Yeah I don't ever wanna go to school

I can't take all their warnings

I don't ever want to go to school

I don't ever care if I'll soon drool

I don't ever want to go to school

I won't ever suffer from being called a fool

I don't ever wanna get out of bed

I'd rather be stuck out dead

I don't ever wanna experience Monday Mornings

I don't ever want go to school

I don't ever want go to school

I don't ever want to go

Want to go to school
