"Jump"

I don't want today to be the same
I want a changing life
I want everyone to know my name
I don't want a boring day

I wanna be free
So everyone can see
How I'm so bored
Of my boring life

I've gotta jump (jump!)
I need to get out
From this frustrating life
So I need to jump (jump!)
I don't wanna stop
To jump (jump!)
Show them what I really mean
I really gotta jump!

I just need to run away
From this coming reality
But I've got no trustful way
I don't want a boring one

I wanna be free
So everyone can see
How I'm so bored
Of my boring life

I've gotta jump (jump!)
I need to get out
From this frustrating life
So I need to jump (jump!)
I don't wanna stop
To jump (jump!)
Show them what I really mean
I really gotta jump!

I've gotta jump (jump!)
I need to get out
From this frustrating life
So I need to jump (jump!)

I don't wanna stop
To jump (jump!)
Show them what I really mean
Show them that I really gotta jump!
Yeah!
I can't stop right now
I gotta jump
So just don't stop me
I've really gotta jump!
