We were born the same, and grew the same  
But I was born to be, you were born to be  
I was born to be, and never changed  
You were born to see, below to see me  
I couldn't rise up again  
But oh how did we begin like this?  
When we were younger, we used to be the same  
It must be fate, and you must hate  
I can't relate, I can't break the distance  
You were born to see, this weak existence  
Now take your shot, the time when we fought  
Now take your shot, with the best you've got

I was born, and I am as a loser  
Take a shot, why can't you come closer  
I know, I won't need anything else  
Because I'm given up on myself  
I'm a loser, I'm a loser, you're someone special...  
I wanted to be like you

And I was born like this, I grew with bliss  
But I had no effort, nothing to change  
I was born to be, and never changed  
You were born for me, so you can look down  
I won't come around  
But oh, why did it end like this  
When were younger, we never missed eachother  
It must be late, for change myself  
I can't break the distance, you've went too far  
You were born to see, my unfaithful part  
Now take your shot, the time when we fought  
Now take your shot, with the best you've got  
Take your shot if you can, you won't bring me down  
Cause' I'm already down

I was born, and I am as a loser  
Take a shot, why can't you come closer  
I know, I won't need anything else  
Because I'm given up on myself  
I'm a loser, I'm a loser, you're someone special...  
I wanted to be like you

I knew, you'll go as far as you can  
You ran, you ran, you ran  
I was a loser, I was a loser  
I believed you will come back  
I believed you will come back  
I believed you will come back

Whatever you want, whatever you took  
Whatever you think, whenever you blinked  
I looked at you, and I always knew  
I was born, and I am as a loser  
Take a shot, why can't you come closer  
I know, I won't need anything else  
Because I'm given up on myself

I'm a loser, I'm a loser, you're someone special...  
I wanted to be like you  
I'm a loser  
I'm a loser
