

Rock House! **"Make It Right"**

Visit "[Make It Right](#)" on MotoLyrics.com

Such a simple mistake
You don't want to fix it not once
You say it was fake
Why do you always want to be perfect?

Make it right, if you don't like it
You're still in the light, opinions will split
Make it right, if you just can't take it
You're still in the light, opinions will split

You just seemed so shamed of it
You just lie to wash the regrets away
You just can't quit
Why do you always want to be perfect?

Make it right, if you don't like it
You're still in the light, opinions will split
Make it right, if you just can't take it
You're still in the light, opinions will split
