"Over The Hills And Far Away"

Visit "[Over The Hills And Far Away](#)" on MotoLyrics.com

It kills me every night, of knowing you
But it kills me more that I've passed through
And it's time to give my years past
I'm the one that's desperate, I, must be last
Through the times, when I was on the floor
We loose ourselves just to be apart
Through the times, when we couldn't get so far
We find ourselves, in a hatred heart

So tell me now, if I don't belong
I'll go through walls, that I cannot break
I'll go over the hills, and far away
But where, do I need to end?
And when, do I get to depend?
I'll carry on, carry on, as if there's nothing wrong
I won't remember you for a day

We had a time, when we called ourselves
The last and only ones
We lost a time, when we had our lives
In a path no longer there
And the days, pushed us to the edges now
To an edge to fall
This ain't love anymore, it's hate
(Hate, hate, hate, hate, hate, hate)

So tell me now, if I don't belong
I'll go through walls, that I cannot break
I'll go over the hills, and far away
But where, do I need to end?
And when, do I get to depend?
I'll carry on, carry on, as if there's nothing wrong
I won't remember you for a day

Miles away, along today
I have nothing to say
So much to go, how should I know?
It was a force, to leave
If they were just words to deceive
It took me under you
Then I didn't go through this
A time to have the devils' kiss

This ain't love anymore, it's hate
(Hate, hate, hate, hate, hate, hate)

So tell me now, if I don't belong
I'll go through walls, that I cannot break
I'll go over the hills, and far away
But where, do I need to end?
And when, do I get to depend?
I'll carry on, carry on, as if there's nothing wrong
I won't remember you for a day
You know, this ain't love anymore
