Oh don't push me away
I have not one way
My heart starts to beat fast
I don't care about the past
I'd only care about now
Well how will I make it from this pressure?

Do I need,
Do I need, to go on stage?
You don't care,
You don't care, but I do care
A lot...

Let me tell you one
I'm gonna be done
And today's the day to separate
Two ways, one happy, one desperate
Then what do I do?
I wanna be like you
I don't want to be killed with the pressure

I don't want
I don't want to lose to my shadows
You don't care
You don't care but I do care
A lot...
I hope I'll I do fine, really fine
But...

Let me tell you one
I'm gonna be done
And today's the day to separate
Two ways, one happy, one desperate
Then what do I do?
I wanna be like you
I don't want to be killed with the pressure

The pressure, it pushes me around
Until I'm totally down
The pressure, it's pushing me
Until I fall from the edge
Stop it,

I don't want to be killed with the pressure
