I never knew I was so blind.  
You don't need to be so kind.  
I know that I'm always wrong  
That's why I'm singing this stupid song.

Your sweet words don't make it clear  
The reason why you disappeared.

[Chorus]  
Punch Me, to forgive what I've done  
So Punch Me, until you can come along  
I'd risk anything for you to hear this song

Now will you forgive me  
Just remember I'm sorry  
I know I deserved all this

And never get your sweet kiss

Your sweet words don't make it clear  
The reason why you disappeared.

Punch Me, to forgive what I've done  
So Punch Me, until you can come along  
I'd risk anything for you to hear this song  
Punch Me, you know what I want you to say  
So Punch Me, I just wanna stop this hateful fray  
Just punch me, yeah punch me...

Punch Me, to forgive what I've done  
So Punch Me, until you can come along  
I'd risk anything for you to hear this song

Your sweet words don't make it clear  
The reason why you disappeared  
When you're done with all the punching  
Will you say okay and kiss me with all your loving

Just to wash away this sad past  
(Punch Me, Punch Me, Punch Me, till' you end)  
Give me your best, last -punch...  
(Punch Me, Punch Me, Punch Me, till' you end)
