My mind, is abused  
We lie and we tell  
That there's no more hell

And we're done, confused  
Ask why, but no reply  
And I hear, the wind cries  
It asks for another time

Why lie again?  
And why start again?  
We lose our control  
We don't do as we are told (I just want to end)  
Why lie against?  
And why rise against?  
Yeah

We crawl, without a goal  
We drop our sweats, and reset  
That there's no regret

As we're gone, we're not told  
Ask why, but no reply  
And I hear, my mind cries  
For help, but there's no more advise

Why lie again?  
And why start again?  
We lose our control  
We don't do as we are told (I just want to end)  
Why lie against?  
And why rise against?  
Yeah

Why end again? (Just let me go)  
There's no more starts (Don't hold my heart)  
And why start again? (I want to begin)  
Why try to lie? (Don't ask why)  
As we lose our control (It's dull afterall)  
Whatever they say (This ends today)  
Don't learn to obey (Whatever you say)  
Yeah

Reborn, and be torn (I'm not going to take this)  
Then I'll start again (And repeat again)  
Yeah
